

Impact of COVID-19 Survey Results

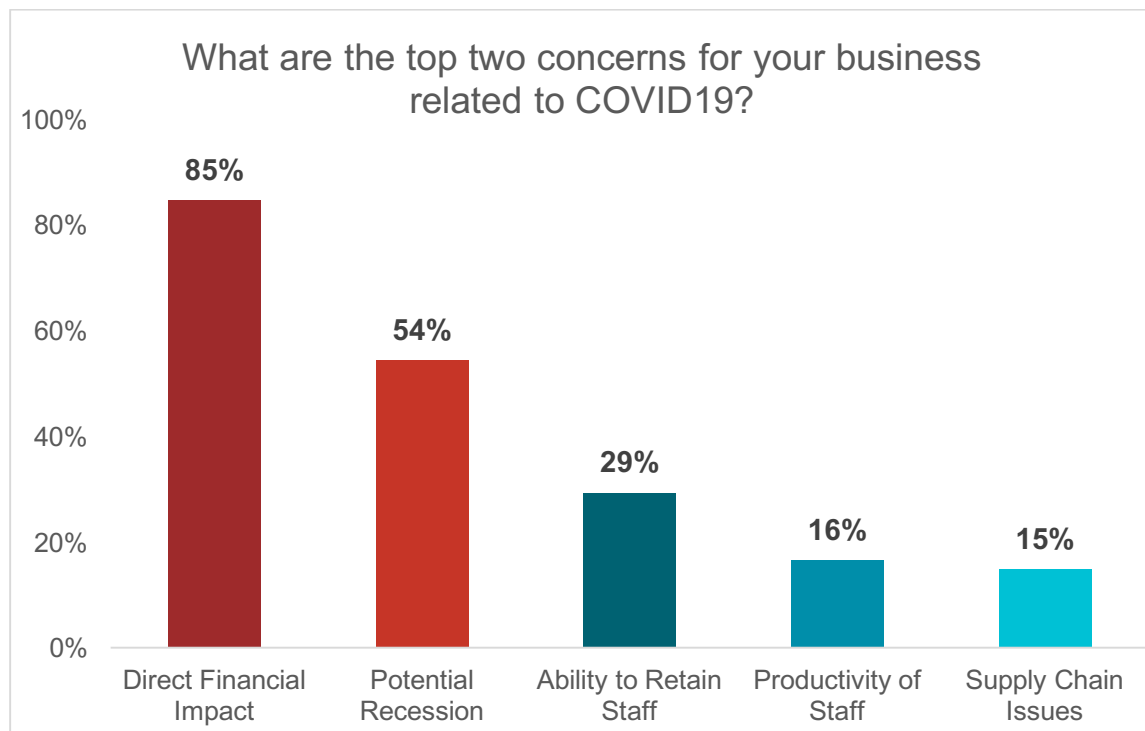

March 24, 2020

1. Methodology

An email with a link to complete the Impact of COVID-19 Survey was sent to Greater Omaha Chamber members on March 19, 2020. Online respondents were given a five-day period to complete the survey. A total of 116 survey responses were submitted.

2. Results

Question #1: What are the top two concerns for your business related to COVID-19?

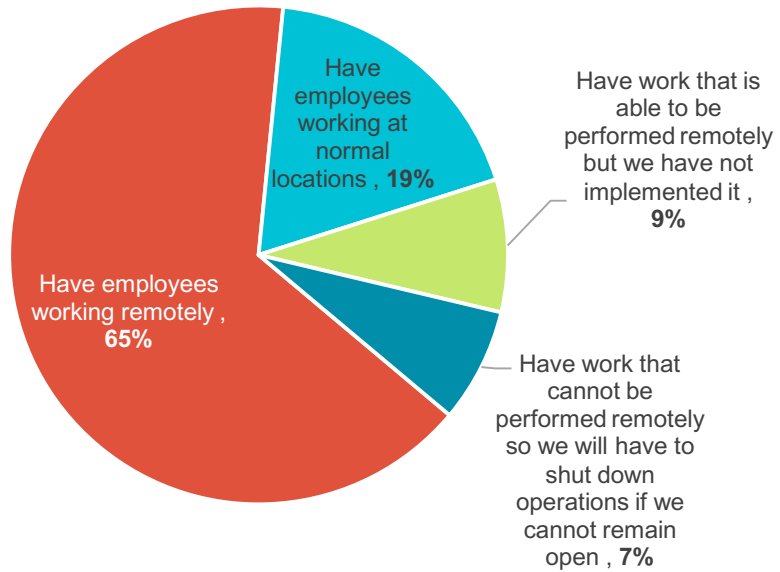

Questions #2-5: How is your business currently operating?

- Majority of the respondents (46%) reported that they are currently fully staffed and have employees working remotely.

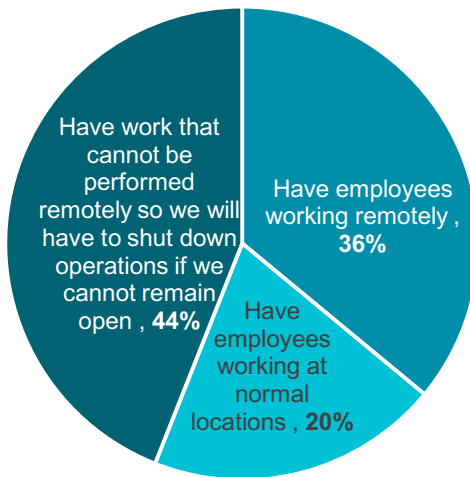

- Followed by:
 - 13% reported that they are fully staffed and have employees working at normal locations.
 - 10% of the respondents have reduced their staff and have work that cannot be performed remotely so they will have to shut down operations if they cannot remain open.

How is your business currently operating?		
Response	N	%
